Reflections - Rosewood Hotel Georgia:

The tables in the garden made a great place for conversation amid greenery. [read more](#). When the weather conditions is good you can also be served outside.

What [Estevan Welch](#) doesn't like about Reflections - Rosewood Hotel Georgia:

Setting is spectacular. Food was cold when it arrived at the table. We could not get a specialty coffee as they don't serve them during busy periods. You are paying premium prices for the ambience, not for the cuisine. [read more](#). The large selection of coffee and tea specialties greatly enhances the value of a visit to Reflections - Rosewood Hotel Georgia, Furthermore, the *sugar-sweet treats* of this restaurant sparkle not only on children's plates and in children's eyes. But the undisputed highlight of this place is the delightful Sushi such as Maki and Sashimi, and you can look forward to the fine traditional seafood cuisine.
