What [Lucio Spencer](#) likes about Ray's and Stark Bar:

Delicious and unique food combinations and flavors from local farms/establishments. Great to sit by window and watch people walk by. Fresh and eclectic look, great location with option outside seating available. [read more.](#)

The restaurant also offers the possibility to sit outside and eat and drink in nice weather, And into the accessible spaces also come customers with wheelchairs or physical limitations. What [Frederique Kohler](#) doesn't like about

Ray's and Stark Bar:

Food and service were good to very good, but the wine markup was outrageous, charging \$64. for a wine (Justin Sauvignon Blanc) that is available for as little as \$14.99 is close to piracy. [read more.](#) Just eating and drinking is too simple for you? Then a visit to this [sports bar](#) is just right: in addition to large and small snacks and menus you can watch the latest football matches, tennis or Formula 1, Also, you shouldn't miss out on the delicious pizza, original freshly baked in a wood oven. It should not be forgotten that there is a large selection of coffee and tea specialties in this restaurant, In addition, the **delectable desserts** of the local shine not only in the eyes of the little guests.
