Took my husband here for his birthday. We ordered from the Sunday Brunch menu. It was really a great experience . Food was really good (coming from someone who knows how to cook very well and is usually dissatisfied with many restaurant's food). The live Jazz was a nice touch. Server seemed a little new, but she was still good...and pleasant. I will return soon! [read more](#). When the weather conditions is good you can also eat outside, And into the accessible rooms also come visitors with wheelchairs or physiological limitations. What

[Alana Cronin](#) doesn't like about Zoroona:

Terrible experience. minutes for dinner to come out, after waiting min for salads. Owner would not come to table to discuss, sent waitstaff to handle issue. We were told the issue was due to a large party in adjoining room ordering at the same time, when we left no one was in the room. Will not go back, and do not recommend. [read more](#).
