I normally don't leave reviews for restaurants but this place was EXCELLENT! Came here for my birthday with a reservation for ten people. We got to the restaurant early and sat at the bar while our table was being set up. The bartenders were the best and created and recommended some amazing drinks. There were a few additional people that showed up and the server was super accommodating and pushed another table with o... [read more](#).

What [Abby Doyle](#) doesn't like about The Wooden Spoon:

I put my hands under the chair to pull myself up to the table and stuck my hand in something sticky and disgusting. That kind of ruined it for me. My food was not what I expected. It was not as good as it was when I've been there in the past. [read more](#). This **Bistro** is small yet refined and captures attention not just with its ambiance, but also with its selection of typical, delicate meals at typically affordable prices, The barbecued food is freshly prepared here on an open flame. There's also tasty [pizza](#), baked fresh using original methods, At the bar, you can unwind with a *freshly tapped beer* or other alcoholic and non-alcoholic drinks.
