The food was excellent. Our appetizers did not come out at the same time. Then our entrees did not come out at the same time. We brought this to the manager's attention and he was very apologetic and brought us complimentary creme brulee dessert that was very good. Will definitely go back. [read more](#). The reservation was scheduled a day in advance and when we arrived at the restaurant it was CLOSED. When we informed the guy that was there about our reservation his response was "I know, but we're closed and will reopen on Friday." Very unprofessional as I had people from out of state that came to have dinner at the restaurant. Someone should have called and let me know that restaurant would be closed early. [read more](#).
