Being the first and basically only customers in the restaurant, the service was substandard. We had to continually ask for refills, the food took forever (24 minutes for an appetizer) to come out. Overall, the food was great. The group I was with would have liked to have seen at least accommodating service. [read more](#). When the

weather is pleasant you can also eat outside. What [User](#) doesn't like about TGI FRIDAYS - Herndon:

unbelievable, my 12 Traditional Wings were delivered with Blue cheese instead of ranch, the Crispy Chicken Fingers were small and thin, not as advertised, and the Signature Slushes was carbonated and flavorless. the fries were also mushy and wet even right after opening it after delivery [read more](#).
