With Brazen closing Dec 18th, we wanted to get our last meal in and as usual, it did not disappoint. We were greeted/seated right away and had drinks promptly. Deviled eggs were still amazing after 7.5 years of having them. The meatballs and polenta were perfect. The double cheeseburger was meaty/cheesy, bacon y goodness. We're sad Brazen is closing, but glad we got to enjoy it one more time. : [read more](#). In pleasant weather you can even eat and drink in the outdoor area, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. What [Lew Luetgen](#) doesn't like about Brazen Neighborhood Eatery:

I read good reviews about this place but ended up very disappointed. The Tea Salad was very sour and my wife ordered fish sauce to make the taste better. I had the Chicken Dau Bauk and the leg was small and very dry. I felt I ate more rice than the chicken, very over priced. This place does not come close to Burma Superstar in SF. [read more](#).
