What [Edward Torphy](#) likes about Boca- Sarasota:

Really good place. I got the Skirt Steak and it was delicious and cooked to perfection! Very nice quality food. We did have to wait a minute before the food came out but it was really well worth it. And the desert was the perfect way to finish the meal. The cheesecake was fabulous! [read more](#). What [Daniella Emard](#) doesn't like about Boca-

Sarasota:

I read good reviews about this place but ended up very disappointed. The Tea Salad was very sour and my wife ordered fish sauce to make the taste better. I had the Chicken Dau Bauk and the leg was small and very dry. I felt I ate more rice than the chicken, very over priced. This place does not come close to Burma Superstar in SF. [read more](#). A visit to Boca- Sarasota is particularly valuable due to the extensive diversity of coffee and tea specialties, You can also discover nice South American menus in the menu. After the meal (or during it), you have the opportunity to still relax at the bar with a alcoholic or non-alcoholic drink, and you have the opportunity to try delicious American meals like **Burger or Barbecue**.
