Admirable is this small yet fine **Bistro**, not only for its ambiance, but also for its range of typical, tasty dishes usually at reasonable prices, Also, the guests of the establishment love the comprehensive selection of various coffee and tea specialities that the restaurant has to offer. After the meal (or during it), you have the opportunity to also relax at the bar with a **alcoholic or non-alcoholic drink**, In the morning they serve a **tasty breakfast** here.
