PM is one of what I consider "top drawer dining" restaurants. Customer focused staff- courteous and attentive to your needs. Good people skills are evident. The food as always is second to none. My wife and I had a lovely conversation with the manager/co-owner. Our server was a gracious young woman. Our experience at PM today and always was a "reason to come back again" experience. The premises in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and be served. What [Dejuan Grant](#) doesn't like about Mr. Pampas - Puebla:

I don't like having any extra menu for swords like in other states. When I didn't ask the waiter, nor the manager they were friendly. Ask me to change the waiter and the new one was very good. Anticipate the varied, tasty [Mexican](#) cuisine, which is usually prepared with corn, beans and chilies (hot peppers), You can also unwind at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. Of course, the *Brazilian* menus of this establishment are also worth considering.
