The Card of 24 from Philadelphia contains about 68 different dishes and drinks. On average, you pay for a dish / drink about \$11.4. What [Ceasar Wintheiser](#) likes about 24:

Had a good time, the seafood boil is the best thing on the menu. Didn't really enjoy the appetizers. Will definitely return for the seafood boil, great flavor, large portion and reasonable price. [read more](#). In nice weather you can even have something in the outdoor area, And into the accessible rooms also come guests with wheelchairs or physiological limitations. What [Roger Boehm](#) doesn't like about 24:

Even though you can make a reservation on THEIR website, they do not want to honor it. The waitress was baffled at a reservation. It gets busy and super loud to the point that even though you are yelling in someone's ear....they can't hear you. [read more](#). The large selection of **coffee and tea specialties** makes a visit to 24 even more worthwhile, and you can look forward to traditional **Italian cuisine** with classics like pizza and pasta. Naturally, they also offer you with tasty pizza, baked straight from the oven in traditional style, and you can look forward to the fine typical seafood cuisine.
