The Card of Oystercatchers from Tampa includes about **197** different meals and drinks. On average, you pay for a dish / drink about \$39.7. What [Consuelo Kuhic](#) likes about Oystercatchers:

This was our 1st meal since they reopened. We usually would dine here at least once a month. We were very pleased at the new additions to the menu. The octopus appetizer was superb. There were 3 of us and 2 had the tuna for an entre and was a little disappointed that it was missing on taste. My sister had the pork on the bone and it was superb ! I wish that the wine list was somewhat a little bit more interesting. [read more](#). The restaurant also offers the possibility to sit outside and be served in pleasant weather, And into the accessible spaces also come visitors with wheelchairs or physical limitations. What [Fernando Nicolas](#) doesn't like about Oystercatchers: It has a wonderful location overlooking the bay. Service is good. Gone are the days of the grand Sunday buffet, replaced by a limited menu with nothing exceptional. [read more](#). Various **fine seafood courses** are provided by the Oystercatchers from Tampa, and you have the opportunity to try fine American meals like *Burger or Barbecue*. At the bar, you can also relax after the meal (or during it) with an alcoholic or non-alcoholic drink, Also, the visitors of the establishment love the extensive variety of various coffee and tea specialities that the restaurant has to offer.
