The restaurant from Delray Beach offers 154 different **meals and drinks on the card** at an average \$13.7. What [Kenny Armstrong](#) likes about Terra Fiamma:

had a reservation for high-top table outside, but waited 40 minutes for an outside table that was never available. we eat in the interior and had a nice meal, but a bit of the experience. Had an enjoyable evening with good food. However the timing was off! We were still on our salads when the entrees were delivered. Always awkward as it leaves the servers with no place to put the entrees and has the customer scrambling to move salad plates. Please, owners, if you are reading this, try to remedy this situation! [read more](#). During a meal, a good drink is essential. In this **gastropub**, you not only get delicious dishes from the menu but also a comprehensive and particularly good selection of good beers and other alcoholic beverages that go well with the food, At the bar, you can unwind with a freshly tapped beer or other alcoholic and non-alcoholic drinks. Not to be overlooked is also the extensive diversity of coffee and tea specialties in this locale, and you can look forward to traditional *Italian cuisine* with classics like pizza and pasta.
