What [Lura Leannon](#) likes about Soy & Pepper:

My husband and I were out walking our dog tonight deciding what to have for dinner (I didn't want to cook) ! We welled past the restaurant that lured me in to grab a menu and take it out to let my husband see what he could have. We ordered beef bul-go-gi and crispy chicken and I asked the very sweet server if that was enough food for two? She said that was the perfect size for two and she was right.....the food was... [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and have something. The comprehensive variety of **coffee and tea specialties** makes a visit to Soy & Pepper even more worthwhile, Also, admirers of Korean cuisine will have their culinary desires fulfilled at the restaurant with dishes like Bap, Kimchi or Jjigae. The Asian fusion cuisine is likewise an important part of Soy & Pepper. Anyone who finds the normal and generally known meals too boring should approach with a willingness to experiment and try some exciting combination of ingredients taste, You can take a break at the bar with a cool beer or other alcoholic and non-alcoholic drinks.
