My favourite Greek restaurant in Montreal for a special occasion. Never too busy (though it should be considering the value and service) and always leave more than satisfied. [read more](#). The restaurant also offers the possibility to sit outside and have something in nice weather. What [Ines Batz](#) doesn't like about RODOS: Dried dead flies stuck on the bottle of olive oil brought for the salad. Really disgusting. We wanted to leave. The wines do not suit me, I ask the price of a beer, I am told a price and I notice afterwards by consulting my invoice that they charged me \$ 2 more than the advertised price. The food is correct, nothing more. Generous portions, decent price but very slow service. Back for me to this place? sure not. [read more](#). Various **tasty seafood dishes** are provided by the RODOS from E Montreal, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks. In addition to small snacks, sweet pieces and cakes, we also serve cold and hot drinks, Additionally, well digestible Mediterranean courses are available.
