What [Emmy Flatley](#) likes about Racines NY:

Delicious food. Amazing wine list. Great service. Nice ambience. The chef pays attention to the construction of each plate as you can see with the small details. All the dishes were well executed. The waiter was very familiar both on food and on wine. It's nice that they had a strong natural wine presence on the list. Price is a bit on the higher side, but reasonable for what you get. Would definitely come back. [read more](#). What [Maximus Goyette](#)
