What [Karen N](#) likes about Phoenix:

Michelin guide knows where to take you in Chicago and Phoenix is a spot that you shouldn't pass up on. Loved all the food offerings and they were better than all of the dim sum restaurants in NYC. Trust me. [read more](#). In Chicago, traditional dishes are prepared in the kitchen of Phoenix with original Asian spices fine, and you may look forward to the scrumptious classic seafood cuisine. You can also look forward to fine vegetarian cuisine. Many guests are especially impressed by the *versatile, tasty Chinese cuisine*.
