One our favorites! Fine dining finally arrives in [Mauldin](#). Great flavors, creative menu, friendly fast service. They seem to be doing everything right. The only suggestion I have is that it might be nice to add a few rotating menu items to add variety for regulars! [read more](#). In nice weather you can even be served in the outdoor area. Look forward to the diverse, tasty [Mexican](#) cuisine, traditionally prepared with corn, beans and chilies (hot peppers), The **barbecued food** is freshly prepared here on an open flame. The eatery also offers a balanced diversity of spicy tapas, which are surely worth a try, At the bar, you can unwind with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
