I've never gotten a wrong order and the food is always fresh. Personally, I wish they had a bigger location with more seating as it can be crowded easily, but that isn't a deal breaker. The worst experience I ever had was their soda machine being down, but outside of that nothing comes to mind. I'd suggest this to anyone willing to spend \$10-15 for a good quick bite. I ordered wings directly from the Wingstop app and paid directly on the app. The app stated my food was delivered but I did not receive it. I called the store and received poor customer service. The person I spoke with told me that it wasn't his problem that the order hasn't been delivered. It's been 40+ minutes since my food was supposed to be delivered and I still haven't received it.
