Met with a friend for breakfast, what we often do. I like to go to Martins, as the food is always good and the service is friendly. I have a quick scrambled egg this morning with sausage and so and her salsa. Fast, friendly service. I like places like these. [read more](#). The joint offers a little bit of this and a little bit of that with its well-known Tapas, here they serve a diverse brunch for breakfast. Surely, it's also a nice event to feel like in the **Wild West** once, to drink and enjoy like the cowboys or even the bandits with a drink or two paired with onion rings and a nice spicy burger, Many customers are especially looking forward to the *diverse, fine* [Mexican](#) cuisine.
