What [Mya Schaefer](#) likes about Scallions:

I recommend the bisque of [seafood!](#) [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather conditions, you can also sit outside and be served. The extensive range of *coffee and tea specialties* makes a visit to Scallions even more worthwhile, and you may look forward to the fine typical [seafood](#) cuisine. Even if you're only a bit hungry, you can still treat yourself to one of the fine sandwiches, a small salad or another snack, the restaurant serves but also **menus from the [European](#) context**.
