What [Evans Keebler](#) likes about Cactus Jack's Saloon & Grill:

So a great place!!! Great staff. Great menu. Beautiful surroundings. I will definitely return to this wonderful institution. You had excellent live music from DENVER HAUS COLLECTIVE and let me just say I'm an Old School House Head and these DJs were incredibly talented and on the whole way with the title selection and really know how to work a lot!!! DANKEN FOR A WONDERFUL SATURDAY NIGHT! [read more](#). The restaurant also offers the possibility to sit outside and have something in pleasant weather. Just eating and drinking is too ordinary for you? Then a visit to this *sports bar* is just right: in addition to small snacks and meals you can watch the latest football matches, tennis or Formula 1, Of course, you also have to try the tasty burgers, that come with sides like fries, salads, or wedges offered. In addition, there are scrumptious American meals, such as burgers and grilled meat, Here, the **meat** is freshly grilled on an open flame.
