What [Kathryne Rutherford](#) likes about El Taquito Taco Shop : We had El Taquito's Taco truck at the graduation ceremony of my son and it was great! The food was spectacular and Luis was amazing! Really a great experience. Thank you for such an incredible experience on such an important occasion! [read more](#). What [Jodie Hill](#) doesn't like about El Taquito Taco Shop : Mediocre [Mexican](#), average priced. Burritos are large, lack robust flavor but are ok. Most menu items are just okay, tend to be bland. They do have some great sauces, fresh and tasty, to liven up your dish. Limited drinks we found soda only. Interior is relatively run down and parts look abandoned. Overall I'd say it's just okay. [read more](#).
