The restaurant from Ann Arbor offers 201 different **dishes and drinks on [the card](#)** at an average \$11.9. What [Armin Sieber](#) likes about Asian Legend:

One of the few places left in Ann Arbor to taste some great Chinese food! Order Taiwanese dishes and authentic selections on the Chinese slip of paper vs the menu with more Americanized items. [read more](#). What [Eric Mashaba](#) doesn't like about Asian Legend:

Responsive waiter and constantly checking on us! They include 18% tip automatically. Fast service: you don't wait for your dishes. If you're desiring some zesty South American cuisine, you've come to the right place: exquisite menus, roasted with *fish*, [seafood](#), and *meat*, though corn, beans, and potatoes are also in the menu, and you have the opportunity to try fine American dishes like [Burger or Barbecue](#). **The meals are prepared according to typical Asian style**. Also, the visitors of the restaurant love the comprehensive selection of various coffee and tea specialities that the restaurant has to offer.
