Has amazing staff very and family oriented like the fact that able to dine in instead of just carry out orders like so many other places the food is amazing as well everything is prepared daily so also home style cooking as well as freshly made desserts with a wide variety of things to choose from on the menu also affordable prices read more. To consume and for a moment to have the feeling of being in Hollywood; that's not at all unusual in this genuinely styled decorated diner, There are also nice *South American* cuisine in the menu. In addition, there are fine American menus, such as burgers and grilled meat, In the morning they serve a **varied breakfast** here.
