The restaurant from Chicago offers 143 different dishes and drinks on the menu at an average \$12.5. What [AvaG](#) likes about Ping Pong:

Love Ping Pong for both a nicer date-night/girls-night experience or just a casual weeknight dinner. Food is delicious, service is always excellent and the atmosphere is beautiful. One of our favorite neighborhood places. There are MANY Asian cuisine (sushi, Thai, Chinese, Noodles, etc. restaurants in Lakeview East and this is by far our favorite! [read more](#). In nice weather you can even have something in the outdoor area. What [Edward](#)

doesn't like about Ping Pong:

Not nearly enough staff to be 100% open. Was there 1.5 hours and had only been served one of the two apps we had ordered and two rounds of drinks. Server never came by to even take our entree orders. Had to cut our losses and leave. I love this place and I'm sure it will get better, but I will wait a while before venturing back. [read more](#). In Ping Pong from Chicago, expect versatile, fine Chinese cuisine that's traditionally cooked in a wok, there are also **tasty [vegetarian meals](#)** on the menu. fresh vegetables, fish and meat are the main ingredients in the **easily digestible Japanese cuisine** of Ping Pong, Especially delicious are also the [Sushi](#) and specialties like Sashimi from this restaurant.
