A wonderful place to celebrate any big milestone or achievement. The views are incredible. There is a great bar above the restaurant with experienced bartenders. The wait staff is top notch and anticipate your every need supplying wonderful service. The food is amazing. I enjoy the prime rib eye that is so tender after being aged. Save up before going as all of the above comes with a large bill. [read more](#). What [Θεογνωσία Σολωμός](#) doesn't like about The Sky Room:

Great history, views, and music on weekends. Food is expensive and just ok. Unusual scene with a mix of dressed up people and super casual (beach attire) mixing in the foyer before separating to different venues. Makes for interesting elevator ride service was very good. Come to this **sports bar** and enjoy a variety of small snacks and dishes while watching live football, tennis or Formula 1 games, because just eating and drinking is too simple!, Likewise, the visitors of the establishment prefer the large variety of various coffee and tea specialities that the establishment provides. You can still relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Moreover, the delicious desserts of the house shine not only in the eyes of our little guests.
