Server seemed really exhausted and fed up with everyone – maybe she worked a long shift. Took a while to get our food and had to remind them about our [pizza](#). Pretty small menu (just apps and [pizza](#)) but the food was good. [read more](#). Cafe Pompeii from Boston is a chilled café, where you can enjoy a snack or cake with a *hot coffee or a sweet chocolate*. You shouldn't miss the opportunity to try the crispy and crunchy [pizza](#), baked fresh in a traditional manner. You can also relax at the bar after the meal (or during it) and enjoy a [alcoholic or non-alcoholic drink](#). Furthermore, the customers of the establishment enjoy the large selection of the various coffee and tea specialities that the restaurant has available.
