The Menu of Paradise [Mexican](#) Food from United States includes about **87** different dishes and drinks. On average, you pay for a dish / drink about \$6.2. What [Aylin Reilly](#) doesn't like about Paradise Mexican Food: I told the waitress that I had a gift card from restaurant.com before our food arrived. She didn't tell me they didn't take gift cards from there until our bill was brought to us. Then we had to pay for a meal and had to use a credit card in which they only charge 4%. I complained and everything they did was comp our drinks, which was hardly anything, especially if we have a \$50 gift card. The food itself was good an... [read more](#). The Paradise Mexican Food originating from United States provides various *flavorful seafood menus*, The dishes are usually prepared for you in a short time and fresh. Even the versatile, scrumptious Mexican cuisine, traditionally cooked with corn, beans and chili, is very popular with the guests, here they serve a **appetizing brunch** for breakfast.
