You can use the WiFi of the place at no extra cost, Depending on the weather conditions, you can also sit outside and eat and drink. The rooms on site are accessible, and therefore no problem for visitors with wheelchairs or physical limitations. During a meal, a good drink is essential. In this gastropub, you not only get delicious dishes from the menu but also a comprehensive and particularly good selection of **good beers and other alcoholic beverages** that go well with the food, Moreover, the delicious desserts of the house shine not only on children's plates and in children's eyes. You have the option to, after the meal (or during it), still relax at the bar with an alcoholic or non-alcoholic drink, and you can enjoy here tasty American dishes like Burger or Barbecue.
