If you're craving for some *tasty South American culinary arts*, this is the place to be: delicious menus, roasted with fish, seafood delicacies, and meat, but also corn, beans, and potatoes are on the menu, The visitors of the establishment also appreciate the comprehensive variety of differing coffee and tea specialities that the restaurant has to offer. The burgers of this place are among the highlights and are usually served with side dishes such as French fries, salads or wedges, In addition, the current games or races can be watched on the big TV in this **sports bar**, which the guests also love.
