As a guest, you can use the WiFi of the place at no extra cost, Depending on the weather conditions, you can also sit outside

and have something. What [Kelli B](#) doesn't like about Newark Deli & Bagels:

Bagels becomes even more rewarding due to the large diversity of *coffee and tea specialties*, You can also discover nice South American dishes in the menu. If you have little appetite, you can treat yourself to one of the scrumptious **sandwiches**, a healthy salad or another snack, and you can enjoy here tasty American menus like Burger or Barbecue.
