For changing offers, please contact the restaurant owner directly. You can also contact them through their website. What [Eliane Weissnat](#) likes about View Restaurant: I went there last week with my young children / 2, 6, 8yr yap a hand full, so I was surprised how well she treated us, how many parents know that it is hard to keep children in line when in a restaurant, but the administration was very helpful and accommodating. the server name Mimi was excellent for our order together with come and check for us... If you have kids and want a good meal, along with good service I woul... [read more](#). At View Restaurant in Bridgeview, you get a **diverse brunch** for breakfast and you can at will indulge, Likewise, the visitors of the restaurant prefer the extensive variety of differing coffee and tea specialities that the restaurant provides. The place also offers Greek specialties such as Gyros and Souvlaki with corresponding sides, They also present nice **South American** cuisine to you on the menu.
