I took my boyfriend here for his 30th birthday this past Saturday. The Filet Oscar was amazing. I also had a few martinis which were great as well. The server we had was very attentive and helpful. Both my boyfriend and I were very pleased. When I'm back in Macon I will come visit again. [read more](#). What [Samuel Leite](#) doesn't like about Tic Toc Room:

Food was fair at best. Service was greatly lacking. It took 35 minutes to get drinks after the order was placed. Meals for our 8 diners did not arrive at the same time. The 8 of us eat out frequently. It had been a long time since we had visited the Tic Toc Room. We wanted to love it and make the restaurant a part of our regular restaurant rotation. By a unanimous vote, that won't be happening at this time. [read more](#). The restaurant spoils you with a little bit of this and a little bit of that with their popular **Tapas**, They also present delicious South American cuisine to you in the menu. Look forward to the enjoyment of **tasty vegetarian dishes**, among the delicacies of this establishment are particularly the Sashimi and Te-Maki.
