Haven't been to a Krystal in years! It was just like I remembered! The customer service was amazing! Everyone was so nice! Got our food fast, despite it being busy. Love the decorations and artwork at this location! I'll be coming back again when I'm in the area. [read more](#). What [Hoyt Ryan](#) doesn't like about Krystal:

1. Drive thru order not taken at the speaker. I waited a while and was told to drive around to the window to take my order. 2. Even face to face, I had to repeat my order multiple times to the cashier. It was still wrong. But food was hot. 3. Was randomly charged for a bag of ice. When I pointed it out to the cashier, she told me that they don't sell ice. Well... 4. Instead of offering a refund, she asked if I wanted something else. Not really. I ordered what I wanted already. 5. When I said, Okay fine, small fry, she pointed out that the fries cost more than the ice. Okay fine, please just refund the ice. She thought about it and went and got the fries. Smh. If you're in a hurry and need something quick, you can get delectable **Fast-Food dishes to your taste** from Krystal in Atlanta, prepared for you in few minutes, In the morning they serve a *tasty breakfast* here. Here they also grill South American fresh fish, meat, as well as corn and potatoes, Of course, you also have to try the **delicious burgers**, that come with sides like fries, salads, or wedges provided.
