**The Card** of Island Paradise from McDonough includes about 91 different dishes and drinks. On average, you pay for a dish / drink about \$8.3. What [Jon Greenholt](#) likes about Island Paradise:

I have eaten at several Jamaican restaurants; however, Island Paradise is by far the best! My only disappointment was after I ate my food I was sad it was gone! Service was top notch! I will most definitely be a regular customer! [read more](#). What [Jay Young](#) doesn't like about Island Paradise:

Mommy can't cook. I ordered the ackee and saltfish and it was full of grease made my stomach hurt bad. Makes me wonder does she cook like that at home or only at her restaurant with low integrity. Gave them a second try with an oxtail plate, I received very little gravy and like 4 oxtail. The daughter was very kind, but I don't think the energy nor optimism is there to continue to run the place. [read more](#).
