The food is served with a beautiful presentation and tastes very good to me. The restaurant is clean with comfortable seating, indoors and outdoors. Many TVs around pool tables for players and fun with Keno. [read more](#). You can use the WiFi of the place free of charge. What [Nona Walker](#) doesn't like about Midtown Sundries:

3.0 to 4.0 We have been going to Midtown for years and it really depends on what you get and luck of the draw sometimes. My go to favorite is the Optimist Triple Decker Clubs (w/o lettuce/tomatoes). The flounder basket is my send choice as the fish is lightly battered. House chips are pretty good. Onion straws are sometimes too greasy. My son likes the chicken tenders w/fries. Just eating and drinking is too boring for you? Then a visit to this **sports bar** is just right: in addition to small snacks and dishes you can watch the latest football matches, tennis or Formula 1, There are also delicious **South American** cuisine on the menu. Also, they offer you delicious seafood meals, At the bar, you can relax with a cool beer or other alcoholic and non-alcoholic drinks.
