Yummy delicious food!!! The best Mexican I had in Sugar Land area. I'm not a fan of Tex Mex, so find this place with Mexican dishes I enjoy making myself happy! Steak and Tostadas= Que Rico!! [read more](#). The place also offers the possibility to sit outside and have something in beautiful weather. What [Ray Walsh](#) doesn't like about Lupita's Mexican Restaurant:

Honestly the worst Mexican restaurant in the area. The queso was \$13 and taste like it came out of a can. Based on the size and quality most places charge \$5-6 for something like this. The margaritas were also sub-par. Service was slow and it took 15 minutes to even get chips and salsa. After this we decided not to order entrees and to never return. Don't waste your time or money here! [read more](#). It's definitely always an event to be in a **typical saloon** and to enjoy; to feel like a cowboy for once with a chilled drink and also the *finger food like crispy fries, onion rings or a hearty burger*, Many guests are also particularly looking forward to the diverse, fine [Mexican](#) cuisine.
