What [Amit Gupta](#) likes about Tito's [Mexican](#) Restaurant: Here's a place with a long history. Been around since the 1950's. Inside is a nice setting and the service is outstanding. In nice weather you can even eat and drink in the outdoor area. Anticipate the **varied, delicious Mexican cuisine**, which is usually prepared with corn, beans and chilies (hot peppers), Furthermore, the drinks list in this eatery is impressive and offers a good and comprehensive diversity of beers from the area and from worldwide, which are definitely worth a try. You have the option to, after the meal (or during it), still relax at the bar with an *alcoholic or non-alcoholic drink*.
