What [Verdie Champlin](#) likes about Atlantic Family Restaurant:

Food was very good, waitress was very nice. Three of us had breakfast for dinner at 6:00 and Bill was \$23 and change. Would have been five stars, except for the ladies' room, where the paper towels flow over the garbage container. [read more](#). To enjoy and for a moment to have the feeling of being in an iconic American Hollywood production; that's always possible in this lovingly equipped diner, and you can try scrumptious American meals like Burger or Barbecue. Even *South American* fresh fish, meat, as well as beans and potatoes are grilled here, for breakfast they serve a extensive breakfast here.
