The chicken combo plate is perfect if you cant decide between a red or white sauce... you get both with two types of pasta! Add the chicken and the house salad it comes with and complete meal for two !! Always fresh ingredients and packaged great to be top quality at home [read more](#). What [User](#) doesn't like about Aversano's Restaurant:

Terrible order tonight. Ravioli pasta was overcooked and doughy, and the sauce was broken, curdled and greasy. It was completely inedible. [Pizza](#) is mediocre. Kitchen didnt acknowledge my topping requests, which was a bummer. [read more](#).
