I was craving a fruit cup and this place was 20 mins away from my job so I drove by and ordered. Great customer service and fast service at that!! They have plenty of items on the menu I want to try. The worse paleta I ever tasted, it was old super super extra sweet and had too much of artificial flavor, nasty please don't come over here and service was poor and unpolite. [read more](#). If you're desiring some **zesty South American cuisine**, you've come to the right place: exquisite dishes, cooked with fish, seafood, and meat, though **corn, beans, and potatoes** are also in the menu, The tasty desserts of the local also shine not only on children's plates and in children's eyes. Naturally, they also provide you with crispy crunchy pizza, baked straight from the oven in traditional style, and you can indulge in scrumptious American meals like Burger or Barbecue.
