I love this place! It's perfect for a quick dinner, no cooking and it's truly home made! Always better imo than take out restaurant food. The vegetable soup, home style green beans and Kings Ranch casserole are fantastic. Lots of choices and a quick, efficient drive through window. You really can't ask for anything more! Had food from here twice, once in 2019 then in 2022 It did not taste good both times. The food is not seasoned and is bland. It may seem convenient to some. I wouldn't get it ever again.
