What [Katie Wu](#) likes about Cathy's Place:

Love this 'WHOLE SOME ' breakfast place in Bay Ridge. Everyone knows each other and care for one another. There 's NO WAIT, don 't rush you, and it 's super friendly here. They have VERY CRISPY waffle fries, it 's worth cheating for. [read more](#). To try and for a moment to have the feeling of being in an iconic American Hollywood production; that's not at all unusual in this beautiful equipped diner, There are also some international dishes to choose from on the menu. Not to be left out is the extensive selection of *coffee and tea specialties* in this restaurant, You can also discover delicious South American cuisine on the menu.
