What [Garrick Paucek](#) likes about Don's Diner:

The restaurant is a great place and surroundings to eat. The place is customer-friendly and the staff is nice. I ordered my favorite plantains, fried fish and macaroni cheese. The food was nice and very well made. The food is weighty what I like better imo. Place is well cleaned from the door to the seats. Very organized business location. I recommend looking for a good meal. [read more](#).
