This place was a pleasant surprise after being stranded in NJ due to a fiasco with a missed flight. We were starving and ordered this via GrubHub. It came hot and tasting fresh. Even the veggies had a little crisp to them and the cashew chicken had excellent flavor. Totally recommend, and decent prices to boot! [read more](#). What

[Reece Botsford](#) doesn't like about Golden Garden:

Terrible customer service. Called the store to make sure they delivered to the right place and they gave my food away to some random stranger and never called. When I called to see what's going on they kept hanging on me. Don't give this place your business they don't really care . [read more](#). Experience in Golden Garden from Elizabeth the **diversity of delicious Chinese cuisine**, traditionally cooked in a wok.
