Happy Dragon Chinese Bistro:

it has very refuted me that there is no suitable Chinese food in this area. austin has everything else, but if they have the curly for Chinese food, their expectations can go incomplete. this is the best place where I was in the opposite. the fried rice is actually fried rice and not only white rice with soy sauce that is thrown into it. I saved the soak from the platter so I could cook a few eggs in it the next morn... [read more](#). The restaurant is accessible

and can therefore also be used with a wheelchair or physiological disabilities, Depending on the weather conditions, you can also sit outside and eat. WiFi is available without additional charges. What [Selmer Rolfson](#)

doesn't like about Happy Dragon Chinese Bistro:

Upon first taste it was good, however quickly after I started feeling quesuy. The next morning i started feeling terrible food poisoning symptoms . I will never eat here again, I have no idea what happened but this place needs serious help before serving food again. I do not recommend at all unless your a fan of food poisoning.
