The food at Maxie's is predictably good. It's been open forever and is still a go to spot for many. I was surprised this visit because the menu is so small. There just isn't a wide variety of dinner choices. There were only two steak choices and the Italian dishes were limited. It's probably inflation driving fewer choices. But what you do order will be tasty and delicious! [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of *good beers and other alcoholic beverages* that go well with the food, and you can try tasty American meals like Burger or Barbecue. One also grills **South American** here with fresh fish, meat, as well as beans and rice, It's possible to chill out at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks.
