I have read some bad reviews on here and simply can not understand it? The service was excellent the price was very reasonable, I come from the UK and eat Chinese food very occasionally but must say this was the best Chinese food I have ever had, if I lived in Vegas I would eat Chinese a lot more but only here! [read more](#). The diner is accessible and can therefore also be used with a wheelchair or physiological limitations. Nowadays one might start to consider possibly eating healthier; exactly for these thoughts, Harbor Palace Seafood Restaurant's food menu offers a large diversity of **easily digestible** meals, and you may look forward to the tasty classic seafood cuisine. Even the *versatile, scrumptious Chinese cuisine* is very popular among visitors.
