Amazing stop after a long afternoon of walking around the town and falls! Everything was tasty and the entire experience was refreshing. Incredibly nice and attentive staff. Usually I take a picture of my plate before I eat but the food was so good I was only able to grab one in between bites. The plate in my photo is almost empty for a reason! Thanks for the great experience! [read more](#). What [Zackery Grant](#) doesn't like about Maharaja Indian Restaurant:

2 star because they were the only restaurant to offer take out, but food was disaster and not worth the price at all..... food is hyed because of Niagara falls, but someone can satisfy Indian food craving with their buffet option. If you want to try delicious American meals like burgers or barbecue, Maharaja Indian Restaurant from Niagara Falls is the place to be, there are also **fine vegetarian menus** on the menu. Customers also know to appreciate the use of traditional *Indian spices* , on the menu there are also a lot of Asian dishes.
